Anti-Ligature Sprung Door Stop

SKU 23111- ALWMSDS_63 Sprung Door Stop

SKU 23121- ALWMSDS_76 Sprung Door Stop

SKU 23131- ALWMSDS_90 Sprung Door Stop

Manufactured by ourselves in England.

Available in:

Stainless Steel SSS, Aluminium SAA -standard finish with matching stainless steel back plate , (PAA option available), Brass, or colour coated to most RAL & BS Colours.

This sprung loaded , tapered body door stop is designed to work in the toughest of environments in both hospital and public buildings including schools.

It has a strong spring to buffer heavy duty or large doors in use . The solid rubber will recess 10mm on impact.

This can be fitted to the wall or skirting with no. 12 screws to a length that is required.

Its standard finish will be SAA body with a SSS backplate , with other finishes available to order.

For larger quantities we can vary its length to suit your requirements.

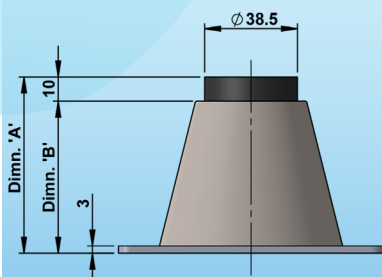

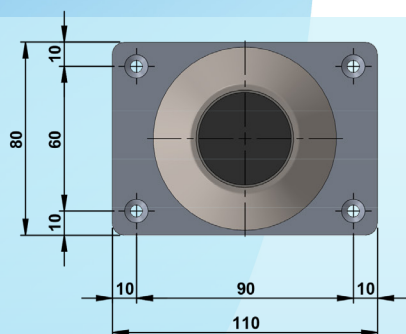

This type and all our range are supplied with a manufacturers guarantee of up to 10 years (aluminium included in the same guarentee), subject to our standard terms & conditions with correct fittings.

Maintenance

With all products, a periodic clean with a dry soft cloth or if required, the use of a damp warm cloth. This will remove any grease or dirt marks. Do not scour with any abrasive pads, cleaning products or chemicals.

Please read our Terms & Conditions of sale re: changes / improvements to all products.
